PRODUCT DESCRIPTION

Category	Cranes
Productname	E-CLaw
Type	1 player
Weight	
Voltage	230VAC / 110 VAC
Height	2110 mm
Width	900 mm
Depth	1060 mm
Remarks	<p>The E-Claw is Elaut's new attractive crane and is fully equipped with environment-friendly RGB LED lighting. This means lower energy costs and a longer life for the lighting.</p> <p>The modern look of this crane was obtained by the light-emitting facades combined with the white lacquered aluminium profiles. You can change the colour of the crane whenever you like, or if you prefer an automatic change of colour, that too can be set.</p> <p>Operating cranes optimally and successfully has never been so easy due to the brand new "IntraXion" control system.</p>
