## Circlerama

When was the last time you failed to stop smiling because of the overwhelming jovial experience? Uplifting characteristics and environment enriching abilities of Circlerama is considered to be the diamond in every location. Brilliant centerpiece design and innovative game play comes in a circus-influenced fashion where the only possible outcome is happiness to all.

Circlerama is a coin-drop game that can be played up to four players. Inserting their coins, players will see their coins drop down the chute onto the revolving playfield. There are multiple targets lined around the edge of the playfield, each worth a different amount of tickets. Circlerama encourages simultaneous play and often it is the top earning coin-drop game in every location.
