

Key Master | Powered by Sega | Prize

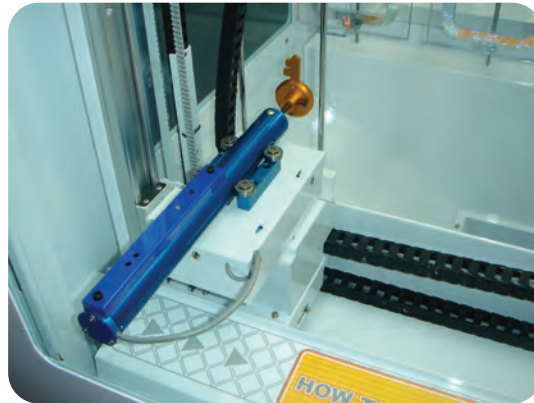

Key Master will test your player's skill as they try to unlock prizes by putting the key in "just" the right spot! Easy to understand and fun to play! It's the perfect prize vending game for all ages! 3 prize levels and a wide range of operator adjustable difficulty settings allow you to set the game for the widest variety of prize values!

3 prize levels, minor, medium and major | Optional winner every time capsule vend | Deluxe model now available which takes larger prizes

Gameplay

The objective of Key Master is remarkably simple. Players must guide the key, using the joystick, into the correct position so it is aligned with a prize. If successful the key unlock the prize and the prize will be pulled from rail and drop in to the prize chute.

Move the key in to positions using the joystick and try to unlock the prize!
