

AN INSTANT ARCADE CLASSIC

What do 20 balls, 45 tiles, and Beethoven's "Ode to Joy" have in common? They're all packed into our brand new game Let's Bounce, and players are loving it!

The competition and suspense that the game brings are a huge hit with guests as they race against the clock to hit the last few remaining tiles!

LET'S BOUNCE

It's the instant classic in your Midway. Attractive and addictive game play that's great for all ages. It's easy to play but challenging to master.

- Attractive cabinet and dazzling lighting effects lure players
- Unique game play with interactive, illuminated tiles that players target
- Bonus and jackpot rounds have special effects that add great theatre to the game play
- Optional overhead sign
