*Wired for bill acceptor.*

*Dual coin acceptors- no push chutes.*

*Optional side and middle rebound guards available.*

**Razor**

**Fast Track**

## Testimonial

-Air Hockey had always been a headache to our route guys until we tried a Fast Track- and what a difference! The machine works without jams. We charge a \$1.00 per play and Fast Track and Razor are always in the top 3 games in every sports center and bowling alley we have. The sound effects are also a nice addition.
