Solid polymer with levelers.

Lock men & handles to rods. No "slop".

**Everyone wants a shot at playing pro.**

Shelti's Pro Foos III offers satisfying play for all skill levels. Patrons love the solid-feel of this coin table, which gets heft and strength from triple-fastened, doweled and adhesive-welded construction. Solid core 3 1/2" x 5 1/2" beam legs, QPQ casehardened steel rods and visually pleasing, durable laminate round out the game's features.

Experienced players appreciate the sharp foot edge of our men for controlled bank shots as well as the precise positioning of the men for optimum ball pinning and delivery. The Shelti man's "increased sweet spot" foot with deep-cut teeth provides more control. Pro Foos III means more satisfied players and more plays in your cash box.
