

Bill Changer AC7715

Adding a "Bill Breaker" to your business can:

- Change larger bills into "smaller bills" with an automated attendant
- Improve customer service and reduce labor costs
- Enhance your business with 8 different front & rear load models to choose from.
- Reduce employee theft

American Changer's "newest" rear load Bill changer is designed to break larger bills into smaller bills, using "street grade" bills! It features a high security design; Pyramid validator and an "LG" bill dispenser used by several Fortune 500 companies, in Kiosk's. The "LG" dispenser is very reliable and requires very low maintenance. This machine dispenses "street grade" bills and does not require ATM quality bills. This model is ideal for the Laundry, Car Wash, Vending and Amusement Industries.
