

Reel 'em in!

Hook onto big collections with Sega's new deep sea fishing experience

Over 10 kinds of exotic big game salt water fish, including Blue Marlin, Sailfish, Tarpon, Tuna, and the dangerous Mako Shark, are cruising the Sega Seas!

Choose from three fishing areas generated with crystal clarity by Sega's Naomi Hardware system! With 16 different lures to choose from, there's bound to be one in your tackle box to get the fish biting!

- A colorful coral reef in the South Pacific!
- The Offing - where the big fish lie in wait!
- The Shallows - where you'll find the dangerous Mako Shark!

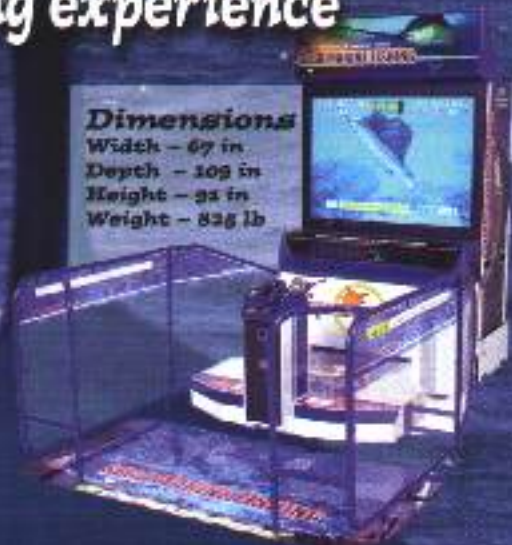

Visit all the areas before time runs out for a chance to fish the Sega Sea Special Bonus Area! A trip here and you'll believe sea monsters exist!

Never fished before? No problem! A Sega guide will show you all the techniques to land the biggest fish!

With the special fishing rod & reel, you'll feel the pull as the fish makes a run on you!

The Continue feature lets players buy more time to land the big one!

Dimensions
Width - 67 in
Depth - 109 in
Height - 92 in
Weight - 825 lb

Don't let this one get away!!
