

WANGAN MIDNIGHT™ MAXI BOOST

Players blast into the world of the popular comic series "Wangan Midnight".

Utilizing our new innovative motion program, players experience 4-wheel drifting like never before!

Players race through Japanese cityscapes from morning to night. Realistic graphics immerse the player in the race at hand.

New Card System!

The car performance, player's rank and achievements are continually upgraded play after play based on the player's racing results. Our re-writable card displays the current results.

How to play with the card

- 1) Buy the "Tuning Card" prior to your first race.
- 2) Select the car and register your name.
- 3) After the game is over, the card is dispensed. The player can continue the game next time by using the "Tuning Card".

Freshly designed driving cabinet!
Newly developed H-shaped 6-gear shifter delivers the perfect simulation!
Also, with a large steering wheel and sliding bucket seat, players can comfortably enjoy their driving experience.
