Take on Nazrac in
the fiery finale

Six challenging Arenas

It's kill or be killed

Take the T-MEK Challenge

Insanely Interactive Game Play

- Addictive head to head competition for both beginner and advanced players.
- In solo mode, annihilate everything in the arena to progress up the tournament ladder for a face-off with Nazrac the Eliminator.
- Awesome firepower and explosively realistic graphics.
- Six arenas include hidden weapons and surprises.
- Six unique T-MEKs, each with its own special weaponry and defenses.

Immersion, In Your Face Experience

- CAGE Total Immersion Audio: Atari's new proprietary digital sound system specifically designed to completely immerse the player using spatial quadrasonic and Doppler effects.
- Link Capability: Up to two cabinets can be linked to provide 4-way arena battles.
 - Cabinet designed to draw players and spectators into the action.
 - RumbleSeat lets you feel the explosions.
