

Play Ball!

Sega is bringing all the excitement of Major League Baseball to your location in **World Series Baseball!** If they can do it on the diamond, you can do it in this game!

Game features include:

- Over 700 players from all 30 Major League teams
- Every major league stadium is recreated down to the ivy in Wrigley and the Green Monster in Fenway.
- Advanced motion capture technology delivers breathtaking action so lifelike, you'll see the competition sweat.
- Virtual Manager System, (VMS) lets you set your line-up, put in pinch hitters, bring in relief pitchers, and make many other MLB manager decisions.
- New player-selectable skill-levels.

Automatic Mode. For beginning players. Fielders field the ball automatically without your input.

Manual Easy Mode. For average players. You have to control your fielder's actions. Game play is slightly slowed during fielding allowing you a slight margin of error.

Manual Fast Mode. For expert players. Same as manual easy but without a margin for error. Action takes place in real time.

World Series Baseball
the real season is
about to begin!
