2015 Best Of Show Arcade Machine Awards Revealed

Annual BOSA Awards for new arcade machine and amusement device creativity, innovation, application and technology advances presented by BMIGaming.com and The Stinger Report

Boca Raton, FL (PRWEB) Mar 23, 2015 - Marking its fourth year together, [BMIGaming.com](http://www.bmigaming.com) and *The Stinger Report* officially announced the winners of the highly anticipated *Best Of Show Arcade Machine Awards* (BOSA) for 2015.

The *Best Of Show Arcade Machine Awards* recognizes and honors the best in new arcade machine and amusement device innovation, creativity and application, from products seen and reviewed at the 2014 *IAAPA Attractions Expo*.

The *BOSA Awards* have become the noted 'mark of excellent' within the amusement industry. Growing in size each year, the *BOSA* continues to chart new arcade and amusement sector trends, plus the use of exciting and innovative new amusement technologies. This year, the *BOSA Awards* continues to expand with the new '*Motion Simulators, Motion Rides and Interactive Motion Games*' category, for a total of four separate amusement machine awards

Finalists for the *Best Of Show Arcade Machine Awards* are assigned scores by a panel comprised of eight judges from the staff at BMIGaming.com and The Stinger Report, based on five areas of importance : Game Playability / Enjoyment, Game Originality / Uniqueness, Market Relevance, Earning Potential and Game Pricing. Each *BOSA Awards* category offers only the *potential* for products to be awarded either a *Gold, Silver* or *Bronze Medal*, or '*Notable Mention*' Award.

All 2015 *BOSA Award* winners will be honored at the annual *Amusement Expo* in Las Vegas next week, and all of this year's award winning products are featured on the *2015 BOSA Awards Page* at : <http://www.bmigaming.com/bosa>

Category One : Video Arcade Games

Gold Medal Award | Jurassic Park Arcade Motion Deluxe | Raw Thrills | PHOTO

Dinosaurs return to the arcade bigger and badder than ever, in this new enclosed light-gun motion simulator video shooting arcade game by *Raw Thrills* – and this being the first motion simulation game from them.

Silver Medal Award | Sega Showdown Special Attraction | SEGA Amusements | PHOTO

Demolition Derby is at the heart of each one of four game modes in this new "super deluxe" driver from *SEGA*, where players smash and crash their way to victory in this cutting-edge motion cabinet attraction piece.

Bronze Medal Award | Pump It Up Prime 2015 CX | Andamiro Entertainment | PHOTO

Andamiro brings its highly popular '*Pump It Up*' music rhythm dance machines back again, and better than ever with many new dance songs, new game play modes, HD game graphics, and for the first time, online playability.

Notable Mention | Armed Resistance DLX | Universal Space | PHOTO

Players can play by themselves or create their own robotic 'teams', made up from two to sixteen players, then compete for victory in this innovative and modernistic third-person deluxe video arcade shooting game from *UNIS*.

BEST OF SHOW ARCADE MACHINE AWARDS | 2015

Category Two : Video Redemption Arcade Games

Gold Medal Award | Fishbowl Frenzy | Team Play, Inc. | [PHOTO](#)

Players experience 'carnival-style' fun while trying to get balls into the fishbowls - *Team Play* brings cutting-edge transparent display technology to one of the hottest video redemption games the arcade market has seen in years.

Silver Medal Award | Kung Fu Panda : Dojo Mojo | ICE | [PHOTO](#)

People of all ages recognize "Kung Fu Panda", and thanks to *Innovative Concepts In Entertainment* (ICE), they can test their own physical 'Kung Fu' skills in this highly active videmption game, enclosed in large, eye-catching cabinet.

Bronze Medal Award | Flying Tickets Arcade | Adrenaline Amusements | [PHOTO](#)

How many "pipes" can you fly past? In *Flying Tickets*, players challenge themselves or their friends in this very fun and entertaining ticket videmption game, with original game software created by *Adrenaline Amusements*.

Notable Mention | Shooting Mania Arcade | LAI Games | [PHOTO](#)

Who knew a shooting gallery game could be so highly addicting ? In this very engaging videmption game distributed by *LAI Games*, players shoot prizes on moving ribbons to win tickets, either alone or with up to 3 players at a time.

Category Three : Redemption Arcade Games

Gold Medal Award | Panning For Gold Arcade | Universal Space | [PHOTO](#)

Why mine for gold, when you can win tickets for scooping gold nuggets in this unique game ? Players try to grab floating gold nuggets in the "river", then a weight scale determines their ticket win in this innovative game by *UNIS*.

Silver Medal Award | Zombie Snatcher | Toccata Gaming | [PHOTO](#)

Combining the 'old school' rotary arm prize merchandiser features with the pop culture phenomenon of 'Zombies', this cool six-player prize redemption machine by *Toccata Gaming* is already a huge hit with many arcade locations.

Bronze Medal Award | SpinDrome | Benchmark Games | [PHOTO](#)

Benchmark Games brings the arcade industry another sure-fire ticket redemption game hit. *SpinDrome* combines a 'interstellar space' game theme, along with a huge bubble dome and a very large, brightly-lit rotating ticket wheel.

Notable Mention | Gold Fishin' Arcade | ICE | [PHOTO](#)

Another colorful 'carnival-style' ticket redemption game from *Innovative Concepts In Entertainment* (ICE), with a 'under-the-sea' theme that brings players the challenge and fun of old time 'carny-style' games to the arcade.

Category Four : Motion Simulators / Interactive Games and Rides

Gold Medal Award | Valkyrie Interactive Motion Theater | Simuline | [PHOTO](#)

This innovative motion shooting theater ride from *Simuline* gives up to eight players thrills like they never experienced, with two opposing seat areas and screens, incredible 3D effects, and the most accurate guns we've seen in a simulator.

Silver Medal Award | SuperNova XD Cinema Motion Ride | DOF Robotics | [PHOTO](#)

Designed for smaller venues in mind, the *Supernova XD Cinema* from *DOF Robotics* packs a big punch, while delivering a world-class motion theater ride in a compact footprint, which offers a full range of special effects and awesome realism.
