Remarks	<p>Disco Round (Patent -Pending) is a new merchandiser. This is a true game of skill. The player must try to line up a falling magnet with a prize on a turntable.</p> <p>This merchandiser combines two to the most popular arcade games into one ! The beautifully designed 1970's Disco theme cabinet boasts a spinning Disco Ball and color changing LED lighting with an attractive eye popping graphics package and a chart topping soundtrack featuring the International Hit "I Love the Nightlife" by Alicia Bridges.</p> <p>The prizes are typically MP4, Colored watches, Music Gift Cards or other items placed inside a clear plastic holder with a magnetic top. The high profit Prize Kits and Patent-Pending plastic holders are a special mix sold exclusively through Elaut USA's www.PrizeKits.com web site.</p> <p>Earnings for this game are off the chart as players are challenged to come back again and again. Production games will be available the first week of September 2010 and Elaut USA already has pre-orders booked.</p>
