ONE TOUCH SIMPLICITY

For 300 years, the Wurlitzer name has stood for excellence in music. The original Wurlitzer jukeboxes literally made “Music for Millions”, establishing Wurlitzer in American culture as they brought the sound of popular bands into restaurants, clubs and anywhere people gathered to have a good time.

The Wurlitzer Digital Jukebox takes the classic “Wurly” to the

next level – into the home with the most complete music system ever invented. With digital technology, superior sound and elegant design the Wurlitzer Digital Jukebox gives you easy access and complete control over all your music.
