

Exceptionally Innovative

TURBOTOONS

MOTION

BUBBLE

TurboToons™ is a brand new, coin-operable children's motion rider system that offers a safe and fun ride for all children. Designed to stand out from other kiddie riders, TurboToons™ comes equipped with a large 24" screen, motion that matches the onscreen action and child friendly bubbles. TurboToons™ is all the fun of Simuline's thrill rides in a kid sized package.
