

A COLORFUL AND ENTERTAINING WORLD

Built on a widebody platform, **THE WIZARD OF OZ™** Pinball Machine is loaded with action on three playfields! Follow the *Yellow Brick Road™* through the main playfield, thematically split down the middle by the movie's theme of good vs. evil.

Rescue *Dorothy™* from the Castle of the *Wicked Witch of the West™*, spin the House through the Twister and visit the odd and colorful Munchkinland. You're definitely not in Kansas any more!

A NEW CLASSIC

THE WIZARD OF OZ™ Pinball Machine by Jersey Jack Pinball Inc., brings Pinball into the 21st century with a classic movie theme from Hollywood's Golden Era.

For the first time in pinball history, *The Wizard of Oz™* Pinball Machine includes a 26" HD LCD monitor which will immerse the player and spectators with scenes from the movie, display player scores with a unique "dashboard" approach, an ever-changing animated backglass, and an easy-to-navigate Diagnostic Menu.

The WIZARD of OZ™

A NEW & COLORFUL PINBALL EXPERIENCE AWAITS.

THERE'S NO PLACE LIKE HOME™

It took a film classic to inspire a new generation of pinball excellence.

IT'S ALL ABOUT THE SHOES... and TOYS

True to the theme of the movie, the *Ruby Slippers™* Flippers control every move through this family-friendly storyline. The spinning House eventually lands on the *Wicked Witch of the East™* while her evil sister plots revenge by watching over every shot you make. Every interaction with the *Melting Wicked Witch™* target will get you closer to the final showdown with this classic nemesis.

Shoot into the Crystal Ball to learn what happens next, spin the House for a chance to visit the Munchkins, and activate the *Winged Monkey™*, he will capture *Dorothy™* and bring her to the Castle. Shoot the *Winkie Guard™* Target to rescue *Dorothy*.

EAST MEETS MIDWEST

Jersey Jack combined a team of Midwest design talent with long established ties to the recent history of pinball, and a new team of eager production oriented talent based in New Jersey to create and build the first pinball machine from this dynamic new company. Along with his vast experience in game sales and customer relations, Jersey Jack Pinball is ready to build the future of pinball from the ground up. Loading JJP's games with new technology, custom sounds, light shows, physical interaction, and animation on an LCD monitor all add up to a fun experience for millions of new players. **THE WIZARD OF OZ™** Pinball Machine will become an instant classic.

HOLD ON TO YOUR SENSES

Just like the movie, **THE WIZARD OF OZ™** Pinball Machine will delight your senses from every angle – 2.1 Digital Audio with a Headphone Jack, Full Color Playfield and Cabinet Graphics protected by our patent pending Clearcoat™ technology. You are definitely "Off to see the Wizard."

A VIRTUAL RAINBOW OF COLOR RGB LED LIGHTING.

Provides a new experience for the player and is sure to stand out from other pinball machines through its amazing ability to change both playfield insert colors and general illumination at any time during gameplay. This ground breaking LED technology adds a longevity feature that makes operating a pleasure. NEVER CHANGE LIGHTBULBS AGAIN! This game certainly is "a horse of a different color."
