

# Arctic CHOMP!

## Brrr! Arctic Chomp is super cool!

Although it's geared towards the little pups, this game is frosty fun for all ages.

Simply coin up, then move the handle up and down to scoop the dropping balls into the bear's opening and closing mouth. Make sure to time it just right to get the maximum amount of balls into the target! Score more tickets for more balls munched, and remember— balls shoveled in the last few seconds are worth double!
