Axe Master | Sega | Prize Vending

The company that brought you the Megahit, Award Winning High Value Prize Vending Game, Key Master proudly introduces Axe Master!

Prize vending game | Simple to play button controls | Simple prize shelves to make refilling easy | Coin, DBA or swipe card ready

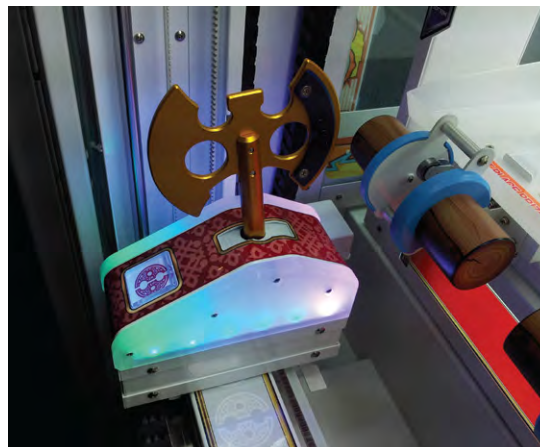

Gameplay

Players use the left and right buttons to position the axe. They then move it up to the desired prize level and release to chop with your axe. If the axe hits the target, the player wins a prize!
