

*The Future of
Bar Leagues!*

Let the good times roll with Bay Tek's new bar-piece, Beer Ball. Men and women all over enjoy the nostalgic and social game play that Beer Ball offers. Play head-to-head for bragging rights of high score or join a Beer Ball league for weekly fun. Locations and operators can also offer special promotions by using the printer option to give away free items for certain set scores, for example roll a 600 and win a free pizza! Don't stop there, run a bracketed tournament once a month on slow nights for a bar tab or gift certificate!
