

BEJEWELLED™

Bejeweled | Powered by Sega | Popcap | Video | Ticket Redemption

The smash hit PC, mobile and console puzzle game is coming to the arcade in this beautifully crafted ticket redemption master piece! Over 50 millions copies have been sold worldwide and 500 million have played it which makes this ingenious puzzle game a sure fire success. Place two Bejeweled back to back to create a 4 player centre piece that will stand out anywhere as it creates a fully lit gem cabinet which will shine in any location!

2 player | Linkable up to 4 players | Ticket redemption | Enropy 2000 ticket mechs | Multi-coloured LED lit gem cabinet

Gameplay

Just swap adjacent gems with one another to create lines of 3 of the same kind. Bonuses are awarded for creating lines of 4 and 5 gems. Score as big as you can to win as many tickets as possible in the time limit. For sites without ticket redemption, Bejeweled can also be set up to payout prize vouchers.

Other features

- Single or Multiplayer
