

REEL IN THE FUN!

Players step up and pull the handle to spin the big wheel. When the wheel stops, players are rewarded with tickets. For an even bigger catch, a Big Bass Bonus has been added where players can win up to 1000 tickets for a perfect spin!

This game of skill serves as a true attraction piece for any game room, but if space is an issue, choose the Pro series which is 30% smaller in size. Big Bass is equipped with funny fishing bloopers and a captivating sound package to offer the entire family a great value in entertainment. Dual ticket dispensers, high capacity ticket trays, and an easy-to-navigate operator menu are all standard.
