Are you at home on the farm or just a city slicker? In this fun fast paced video game, players quickly find out just how good their hand-eye coordination is. The object of the game is to place the good eggs in the frying pan, the chicken eggs in the nest and the bad eggs in the trash.

Chicken Farm Features:

- Compact cabinet design that attracts children
- Appealing to all ages • Cheerful graphics
- Ticket dispenser included • Operator controlled ticket payout

Ripper Ribbit

The pond is buzzing with activity and this is one hungry frog. In this exciting video game, players have to judge the timing of the frog's tongue to catch insects, but watch out for the spiders. Ripper Ribbit is a fun game the whole family will enjoy.

Ripper Ribbit Features:

- Compact design that attracts children
- Intuitive game play
- Single button action
- Operator adjustable ticket payout

The circus is in town. Crazy Clownz is an exciting fast paced video game featuring two fun loving Crazy Clownz, Fatty and Stappy, who shoot themselves out of a cannon and then bounce as high as they can to pop balloons filling the circus tent. Players steer the trampoline under the clownz to keep them bouncing. The higher they bounce the more balloons they bust.

Crazy Clownz Features:

- Unique Steering Wheel Control
- Compact cabinet design that attracts children
- Colorful & exciting graphics • Luring Circus Theme Music
- Player seat (optional)

Ripper Ribbit
