

DROP THE HOOK

The new prize redemption machine that will have players HOOKED!

- **Can accommodate large prize boxes**
- **Hanging prizes are beautifully displayed and will quickly catch a player's eye**

SIMPLE

- **Two-button controls make it easy for players of all ages**
- **Up to six prizes hang in color/shape specific prize zones**
- **Players maneuver a plunger into a target that is shaped like the corresponding prize zone shape**

Players trying to win a prize in the orange diamond area, for example, will aim to place the plunger into the diamond target

Playfield prize door locks when a shake is detected and when a prize is dropped after a win

SECURE

- **Tilt sensor on the machine cancels play and temporarily locks machine when a cabinet shake is detected**
- **All metal cabinet construction with tempered glass**
- **Dual locking prize doors. Never at any point are both prize doors unlocked.**
