

# Dunk Tank Prize™

**TAKE A  
SHOOT**

From the creators of

comes another great  
instant prize dispensing  
game.

Use the simple two button  
controls to guide the plunger  
over the dunk switch hole.

If positioned correctly,  
releasing the buttons  
will lower the plunger  
through the hole onto the  
switch and “dunk” the  
prize into the Prize Bin.

Installed Dimensions:  
43"W x 38"D x 76"H

- 6 individual prize platforms with the ability to configure two adjacent platforms to hold one larger prize
- Simple 2 button controls
