# FIRE FIGHTER

**Sound the Alarms! There's a fire and we're looking for a few heroes to save our burning building.**

**Fire Fighter**, is a one or two person water cannon game where players aim at targets to put out fires. The water cannons are directionally controlled to prevent water from spilling out of the fiberglass playing-field. Don't worry, there no plumbing necessary for Fire Fighter and the game uses recycled water so maintenance is a breeze.
