

FlappyBird

OPTIONAL!

Flap to win prizes!

Perfect for vestibule and street locations, the prize-vending Flappy Bird allows players the chance to win a prize for achieving set scores. The Flappy Bird merchandiser is flexible enough for any business model!

Simply press the large red button to skillfully maneuver the bird through the openings in the pipes, trying to pass through enough pipes to win a prize. Hitting one of the pipes or the ground ends the game.

The recognizable licensed artwork, 32" monitor, well-lit prize display and optional marquee make Flappy Bird a great addition to any location!
