

GALACTIX™

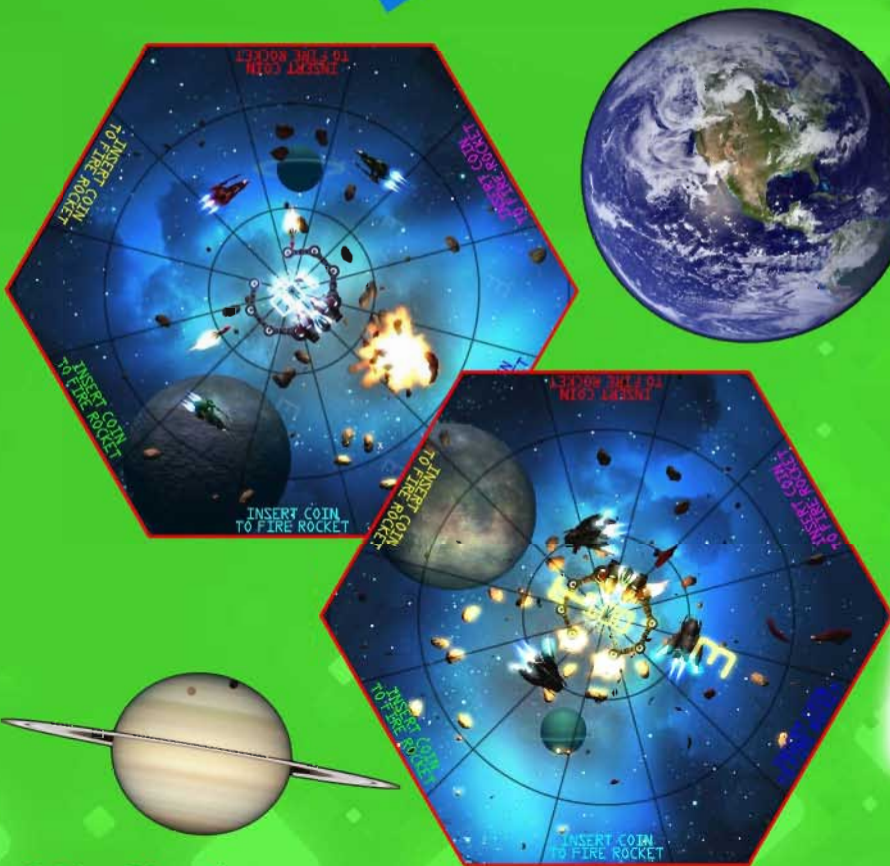

Chicago Gaming presents a new quick coin arcade redemption game that is OUT OF THIS WORLD!

Soon to be landing at an arcade near you will be the compact spaceship themed, six station arcade redemption game known as GalacTix™! Featuring a truly unique blend of video game play with the skill of a quick coin arcade redemption game, GalacTix™ challenges players to launch a missile with the hope of hitting the alien mothership at the center galaxy and capturing the Jackpot! A revolving universe full of obstacles, such as spacecrafts and asteroids, adds to the fun and excitement of the highly addictive gameplay! Multiply that by six stations and watch GalacTix™ collections BLAST OFF the charts!
