ICE BALL

SPECIAL FEATURES

☆ Simple to install — 2 people/ten minutes — we supply the only tool!

☆ Unique plywood and steel construction - compare the luster and the durability.

☆ All steel, powdered epoxy coated cage - great look - superior strength... and 2 screws remove the entire cage!

☆ Main electronics right up front for easy access - slides in and out. No climbing to change options or trouble shoot - volume control at your fingertips!

☆ Ticket dispenser and ticket bin on easy slide system - no tools needed - bin holds 5000 tickets.

☆ Coin mech and cash box also on easy slide system. Coin mech stays vertical for easy testing, again no tools needed.

☆ Back lit ball return for easy ball balancing at a glance.

☆ Ball release mechanism contains custom solenoid..entire mechanism can be "lifted out" as an assembly for easy maintenance.

Ice Ball is operator adjustable for:

- Point values on all scoring zones
- ticket pay out
- Double score option
- Extended play option
- Attract mode and volume settings
- Balls per game ...plus game can be played with just one ball!
