

LAUNCH CODE™

From the team that brought you the award-winning augmented reality hit game, Fishbowl Frenzy!

Team Play, Inc.™ introduces its latest ticket redemption hit, Launch Code™. The space theme and loveable alien character, "Codey", bring immersive redemption games to the next level.

Amazing 3D HD graphics are displayed on a giant 65" LCD screen which are seamlessly embedded in a huge transparent playfield.

The player's mission is to drop 4 balls, released from a single button player control, and hit the fuel targets below. The more targets you hit, the higher Codey launches toward his home planet and a greater number of tickets are awarded.

Spectacular on-screen 3D animation, vibrant sounds and lights combine with 100% mechanical skill game play, make Launch Code™ a player experience that is out of this world!
