

SMOKIN' TOKEN EXTREME

Smokin' Token Extreme's Top Ten Features & Benefits

#1 Feature: Smokin' Token Brand

Benefit: Brand Recognition! The original Smokin' Token has been around for over thirteen years and has been a long time favorite of both players and operators.

#2 Feature: Great Game Play

Benefit: It's simple, fun, and addictive like the original, but with a twist that really entices players to keep plugging those tokens down the slope into the spinning wheel!

#3 Feature: Progressive Feature Available

Benefit: Let your jackpot grow with the additional progressive feature that is now available. Ask your sales rep today!

#4 Feature: Eye Grabbing Graphics w/ LED Lights

Benefit: No player will be able to walk past Smokin' Token Extreme with its bright, edgy graphics and flashing LED lights. There are lights that even chase the coin down the slope for added effect!

#5 Feature: Sliding Ticket Trays

Benefit: Operators will love the sliding ticket trays for fast, easy loading.

#6 Feature: Adjustable Settings

Benefit: Like all Bay Tek games, Smokin' Token Extreme comes standard with some operator adjustable settings such as bonus round time and bonus value. Tailor your game to fit your locations needs.

#7 Feature: Small Footprint

Benefit: The two player quick coin game will need minimal space for the ROI it will provide.

#8 Feature: Easy Slide Glass

Benefit: Easy access playfield for quick and easy cleaning and maintenance checks.

#9 Feature: Attention-Grabbing Audio

Benefit: Great audio designed in house that will grab the attention of players and keep them entertained while they play, including tracks from the original Smokin' Token!

#10 Feature: It's built by Bay Tek Games in the U.S.

Benefit: Quality you can trust, second-to-none Service to back you up, and Innovation to earn you money!
