USE BAMM BAMM'S HAMMER TO HIT THE TARGETS!

The game features the famous whack-a-mole gameplay inspired by Bamm Bamm accessory. Use the hammer to hit the rising pins in the illuminated holes: when you hit, they add you bonus points.

- Exclusive Design.
- Super RGB LED color lighting.
- Electronic displays show high score, score, time and credits.
- Simple and intuitive for any player.
- The interactive sound speakers will join you with the famous Bedrock family with music and effects according to the gaming action and scores.
- Operated by coin/token/smartcard for easy collection, and ready for ticket redemption dispenser.
- Adjustable leveling shoes and wheels for easy movement.
- Enters in standby mode to reduce power consumption.
