TIMBERMAN

One of the world's most addictive mobile titles has now become a video redemption game!

Put on your checkered shirt, pull up your sleeves, pick up the sharpest ax you can get and ... grow a beard. In a moment there will be splinters flying and chopping sounds swirl echo through the forest. Show how quickly and efficiently you can cut down a 100-meter tall pine tree. Be careful though, lumberjack's work is tough and it's easy to get hurt. In addition, time is chasing you in every step not giving even a moment to rest. Show that you are not afraid of such problems and that you are the best lumberjack in the area.

More than 30 000 000 players worldwide cannot be wrong. Timberman is an addictive, captivating and mesmerizing game that takes you to a completely new beard-o-checked dimension of fun. Fantastic graphics displayed on a 42" HD screen, fitted into a stunning, flashy cabinet.
