# Water Blast Too! **FEC** MODEL

## The Water Blast Too FEC model operates in 2 different ways

### GAME OPERATION WITH AUTOMATIC TICKET REDEMPTION

- Game will dispense 2"x4" tickets to the winner.
- Game will not start until game has 2 players activated.
- After 2 players enter, the game timer will start a countdown till the start of the game.
- Prize tickets can be redeemed at the redemption center or selected locations

### GAME OPERATION WITH OPERATOR AND MANUAL PRIZE HANDOUT

- Talk to and interact with customers.
- Manually give away the proper prize to the winning player.
- Operator will start the game when players are ready.

***The dimensions shown here are for both the 6 player and 8 player version of this game.***
