

angry Penguins

Power meter boxer machine combined with funny flying penguin animations. The harder you hit the punch bag - the longer the penguin's journey and the better your score. Great machines for FEC and amusement part locations.

- Mechanism with electric servo motor
- 17-inch industrial LCD
- Only LED/OLED lighting
- reliable KS2 operation system
- ticket dispenser ready
- bill acceptor ready
- over 1000 animations
- baby size body available
