

# i-Jump!

Test your basketball practice and shot techniques on i-Jump, a fun way to play Basketball. With the possibility to link the stations for interactive competition, you can challenge your friends, making the game more competitive. For an even bigger challenge, the table moves in three height levels. And you can test your skills to break the highscore, making as many shots as possible. With vibrant and beautiful colors, and exciting attractive sounds, i-Jump is fun for sure.
