 - Battery voltage
 - Logic version
- **Sleep Mode** - Uses the onboard clock and saves the battery.
- **18 Amp Interstate Battery** - With new high-power "Speed Charger" to extend battery life.
 - Fully charged in 6½ hours, cutting charging time by 60%.
 - Quick connect eliminates potential damage from cross connecting the battery.
 - Clock has separate battery for backup and memory protection.

- **Manage League fees** - Clearly shows league dues and table income separately including both team number and amounts paid.
- Bonus Games and Happy Hour tracking.
- Eliminate free games and lost revenue.
- Detailed information to maximize income.
- **Smooth Design** - Sleek, innovative corner casting coupled with the newly designed rail cap molding produces a smooth to rail design that eliminates "snag points" for hands, cues and clothing.
- **5 Bolt Cushion Rails** - Eliminates T-Nut dead spots and is more securely attached to the top rail for more consistency. Lifetime manufacturer's warranty on rail rubber.
- **Valley's Teflon Ultra Cloth** - Plays faster, wears longer, and looks better than traditional woolen cloth.
- **Dual Density Cushion Rubbers** - Championship's Tour Edition rubber cannot be beat for accuracy and speed.
- **Cougar Head Cue Ball** - Aramith's 3-step layered process produces a perfectly balanced ball, the same weight and size as the object balls. Every Panther includes an Aramith ball set.
- **Cheyenne Leather Laminate** - A classic look that brings back Valley tradition. BLACK CAT LAMINATE also available.
