

The Rollerball Advantage

18 Simple Reasons Why Rollerball Small Ball System Is #1.

1. Low maintenance pinsetter.
2. Gravity fed ball return (extremely low maintenance).
3. State-of-the-art detangling mechanism, the best in the industry.
4. Wax coated strings allowing longer life and less tangles.
5. Solid core pins.
6. Solid foundation which includes 1" MDF.
7. 3/8" synthetic lane with traditional bowling appeal.
8. Reaches a wider demographic, great for ALL ages.
9. Customizable graphics and sidewalls with our proprietary enhanced glow process.
10. The only company to offer MediaMask Video Screens as masking units.
11. Simple yes/no option for automatic bumpers.
12. The only company to offer true 3D animation in high definition.
13. Standard 32" LCD screens.
14. Quicker frame-to-frame cycle allowing faster turnover of players. Fastest pinsetter in the industry.
15. Rollerball has the quickest reset system to start a new game, virtually no downtime between games.
16. Ticket redemption with options of bill acceptors, coin acceptors or card swipe.
17. Front desk control or cash option available.
18. Rollerball is backed by the most comprehensive and liberal warranty in the industry.
