

GIANT STACKER

Giant Stacker is the newest version of LAI's successful instant redemption game, Stacker. The new cabinet size makes this Giant Stacker an ideal attraction for any shopping mall, FEC, cinema or theme park.

The huge 23½" X 19½" prize doors allow for bigger prizes than the standard Stacker model.

Features:

- Skill based game
- Major & Minor prize categories
- Adjustable prize arm positioning
- Bigger and better prize options for operators
- Easily marketable in any location
- Attractive graphics & audio
- Strong metal cabinet design

Dimensions:

Height: 90.5"

Width: 74.8"

Depth: 39.7"

Weight: 959 lbs.
