

SUPER HOOPS

KEEP THE RIM LIT!

One or Two Players shoot baskets in an up-to four-stage timed countdown to score points that will (optionally) pay out tickets. Benchmark's unique lighted rim feature allows players to score more points. Keeping the hoop rim lit by making consecutive swishes earns bonus points.

Round 1: 2 pt. shots or 3 points if rim is lit blue.

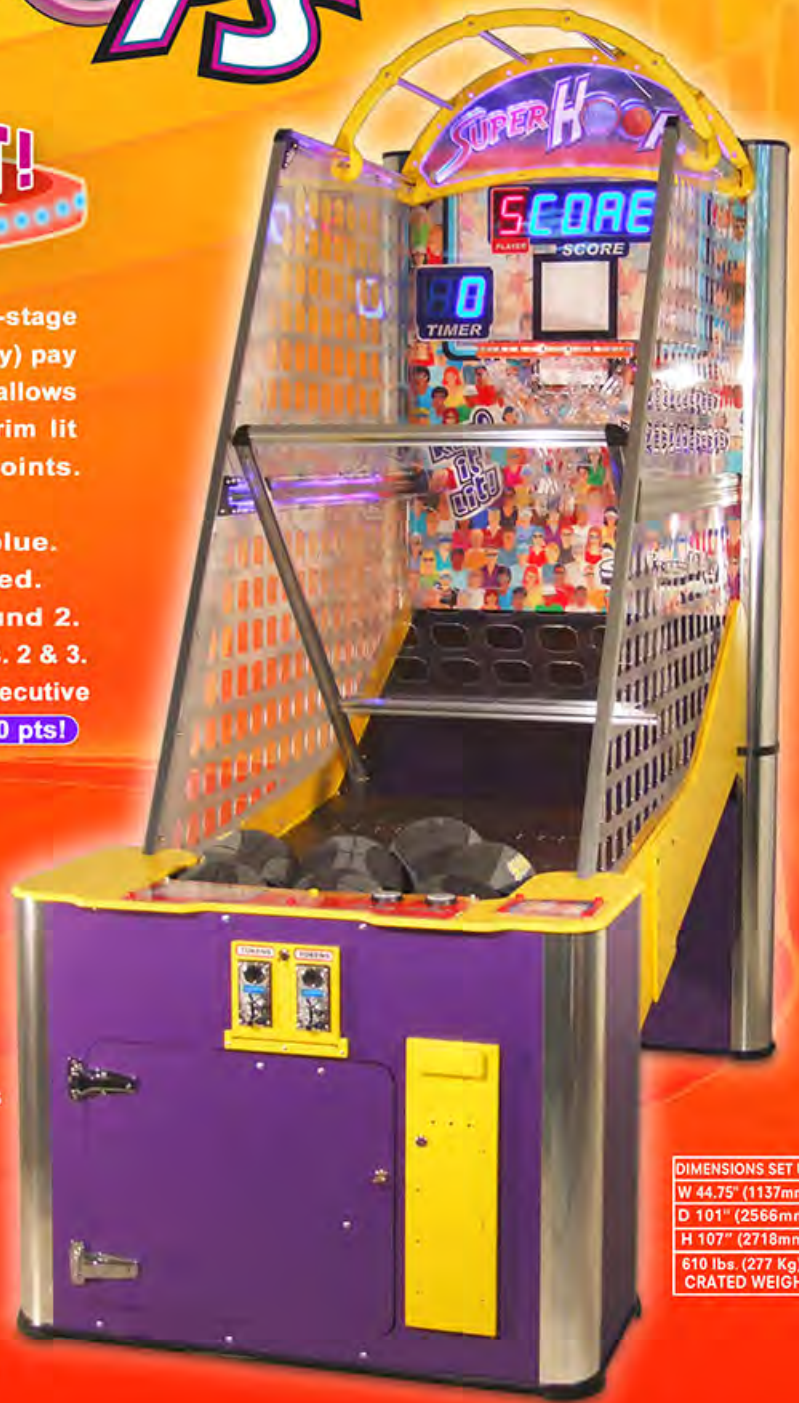

Round 2: 2 pt. shots or 3 points if rim is lit red.

Round 3: Moving rim & same scoring as Round 2.

Round 4: Faster moving rim & same scoring as Rds. 2 & 3.

In Rounds 2, 3, & 4, keeping the rim lit red for 5 consecutive shots lights the rim purple. **Every purple lit shot = 10 pts!**
