

Skee-Ball Presents

SUPER SHOT™

Dimensions:
34 W x 126" D x 108" H
Weight:
700 lbs

Skee-Ball has taken all of the outstanding features of the original Super Shot game:

- Heavy duty powder coated steel frame and cages
- Front to back movement of backboard / rim
- 4 different game play choices
- Linkability for competition games

Then added these outstanding enhancements:

- Brighter backboard lighting
- Additional LED display behind backboard for ease of viewing score
- Ability to link up to 12 games included FREE
- Simplified backboard movement
- Metal front door with single lock entry
- Ability to service all game components from front
- Many operator programming options
