

THE SHUFFLEBOARD PEOPLE

*“The heart of a true playing
shuffleboard is it’s play field”*

Sol Ripkin

THE CHALLENGER

Feel the play of the long board with our scaled down version. You will appreciate the exceptional quality construction of this smaller unit. This well styled shuffleboard is an excellent choice for any family game room. 14' table shown with optional triangle scoring.

Available sizes: 9', 12' & 14'

THE AMBASSADOR

Designed with the assistance of the professional players. This shuffleboard premiered in the 2000 North American Shuffleboard Championships in Reno, Nevada. However, it's not necessary to be a professional player to appreciate this good-looking shuffleboard with it's clean design. 22' table shown.

Available sizes: 12', 14', 16', 18', 20' & 22'

SOL LIPKIN GRAND DELUXE

Quality never goes out of style with this hand-crafted & finished circa 1930 to early 1940's style shuffleboard originally recreated for *Dave & Buster's* Entertainment Centers. For authentic appearance and beauty the cabinet is constructed of maple, mahogany, and poplar. The brass screws and solid brass connecting plates add for nice finishing touches. A true showpiece in any home. 22' table shown.

Available sizes: 12', 14', 16', 18', 20' & 22'

THE CLASSIC

In search of the classic? Look no further than this very popular model, patterned after our coin-operated classic tavern shuffleboard. You can rely on it's rugged construction and enjoy a lifetime of fun and competitive play.

22' table shown.

Also available in 12' cushion style and coin-op.

Available sizes: 12', 14', 16', 18', 20' & 22'

GRAND DELUXE CUSHION

The quality custom crafted *Grand Deluxe* cabinet with the added fun of cushions and wider play field, offers a challenging game and aesthetically appealing shuffleboard. You will agree, this is the complete game for family and friends of all ages.

Available sizes: 12', 9'

THE 9' CLASSIC CUSHION

This is a smaller version of the 12' Classic Cushion with top quality construction. An excellent design for homes and recreational centers with quick and easy set-up. A favorite among all levels of skill and ages.

Available sizes: 9' only.

THE SARATOGA

Add something special to your game room with this uniquely designed shuffleboard. Available in Cherry, Mahogany, or Red Oak this shuffleboard will fit into any decor. The playfield is made of hard rock maple with our specially formulated UV finish. The cabinet is hand crafted from tiger maple and the solid wood of your choice set atop domestic veneer core plywood for strength and stability. It is finished off with beautifully design center connectors, naugahide padding and maple inlay on the legs and cabinet. Get the shuffleboard you always dreamed of with a wide selection of stain and naugahide padding colors.
