

BC6

Can & Bottle Vendor

Space is always an issue, especially when it comes to your vending locations. The BC6 cold drink merchandiser from Perfect Break Systems provides the key to reducing your vending footprint and increasing selection and satisfaction.

Six selections allow you to mix and match bottles and cans to meet your customer and employee needs. The ability to vend 12 oz. cans, 16.9, 20 and 24 oz. bottles or a mix of all gives you the versatility to serve your customers and employees the beverages they most desire including bottled water, sports drinks and juices.
