to any location,
large or small!*

CM1250

Large to medium locations - for whatever you vend - can benefit by this high capacity changer. Abundant \$250 hopper system dispenses quarters or tokens for \$1 or \$5 bills. The LED readout communicates with your customers that the machine is ready for service and what will be dispensed, such as \$5 = 20 Quarters - or if it is sold out. The coin catcher provides an easy and attractive way to retrieve coins.

- Large \$250 Capacity
- Changes \$1 or \$5 to Quarters
- Rotary Delivery System
- Can be Used for Tokens
- Mounts to Vending Machine or Wall
- Large Coin Hopper for High Volume
- Strong Metal Construction
- Dual Steel Locking System
- Fused Circuitry
- Coin Catcher
- LED Readout

8.75" Wide x 21" High x 10.5" Deep (22 cm x 53 cm x 27 cm)
