

DL-9000 Ticket Eater®

Our micro-processor controlled Ticket Eater® with a mid-sized movable display and receipt printer is an incredibly accurate, high speed auto-feed mechanism for time saving counting and disposing of tickets.

- Quick set up & easy to use – Select either Reset or Print
- Available with a printer for customized Winners' Receipts
- Internal inventory counter (7 digit, non-resettable)
- Optional Ticket Eater® stand for more convenient operations. Perfect for glass countertops or restricted areas.
- External display resets with the touch of a button
