

BIG BUCK WORLD

Play Mechanix takes the top shooting series to a new level by combining Big Buck Safari and Big Buck Hunter Open Season into one product called Big Buck World. Big Buck World makes it a truly global hunting experience and it will blow away locations while attracting new players with competitive game play and non-stop action.

Players can take aim at a staggering 17 animals that include the NEW Safari Outback animals: Ibez, Rusa Deer and Blackbuck. In addition, there are 18 Trophy Animals, 77 Crazy Critters, 51 Scenic Hunting Treks and 255 Hunting Sites that cross 4 continents including Africa, Australia, Asia and North America. This new title also offers 51 Bonus Games.

This newest video arcade shooter delivers a wide variety of enhancements and additions. Big Buck World will be available in a dedicated 42" LCD Deluxe, a 27" Standard model and the 120" Super Deluxe. Additionally a software upgrade kit will be available for every configuration of Big Buck Hunter Pro, Open Season and Big Buck Safari.
