

# GALAGA ASSAULT

For those who have been Galaga fans for decades and for the ticket redemption rookies who may be playing Galaga for the first time, Bandai Namco and Raw Thrills have joined forces again to present GALAGA ASSAULT. Destroy a wave of enemy ships for a chance to defeat the mothership and win the bonus!

GALAGA ASSAULT has an all new “add ships” feature that allows the player to buy more ships and expand to an armada of up to 12 attacking ships. Automatically post your high score to Facebook with Galaga Assault’s unique QR Code scanning feature. With stunning 42” 1080p HD visuals, blazingly colorful LED cabinet lights, this will be the most fun you’ll ever have shooting down aliens and winning tickets!
