

H2 OVERDRIVE™

Go Into Overdrive!

H2Overdrive by Raw Thrills is creating revenue tsunamis in arcades all over the world!

H2Overdrive takes arcade powerboat racing to unparalleled levels never seen before in an arcade cabinet. This incredibly attractive cabinet features a 42" or 32" LCD panel with High Definition Graphics, a thundering subwoofer sound system and an incredible array of light treatments sure to attract players from anywhere in the facility.

Nine different watercraft, 7 water courses and the ability to store the players watercraft for future use and customization, H2O will drive player loyalty while leading to more repeat plays and higher earnings.

Competition breeds revenue. Up to 8 cabinets can be linked for fierce competition and one impressive presentation. H2O is like lightning in a bottle!
