

THE HOUSE OF THE DEAD 2

It doesn't get any
Deader than this!

The Special Agents who were assigned to the original House of The Dead mission, thought they were successful in wiping out the evil that resided in secret laboratories and underground passages; however, they were wrong. Dead Wrong!

In the first installment of House of The Dead, the situation was a grave one. However, with new hidden passages, giving the player the opportunity to alter the course of each game, House of the Dead 2 is sure to create more excitement along with a deadlier outcome.

Unbeknownst to the Special Agents, Curien's scientist and experiments escaped through hidden passages in the mansion. The lifeless corpses and mutilated specimens terrorize the countryside while heading for the targeted City.

House of the Dead 2, debuting on Sega's new, low cost, high performance, Naomi Hardware Platform, guarantees excitement while the player travels through 6 new challenging levels, using a new light-gun system to destroy new zombies, gruesome creatures, ghastly ghouls, and freaks of modern science, that are bigger stronger, and faster than ever.
