About Infinity Blade FX

The first multi-touch RPG sword-fighting game powered by Epic's cutting-edge Unreal Engine 3 technology, Infinity Blade takes handheld gaming to new heights with gorgeous visuals, adrenaline-fueled battles and advanced character progression in a fully 3D castle realm. With just a few basic swiping commands, you can spar with a wide variety of challenging opponents, upgrade skills, weapons and armors.

In the world of Infinity Blade you take up the ancestral sword of your forefathers to fight foes threatening to destroy your home, and as a heroic knight, you rise up against the sinister God-King and his brutish Titans. Epic boss battles and dazzling weapons and armor all await you in this thrilling arcade gaming experience.

Are you ready to take up the Infinity Blade?

FAQ

Can I play with my two hands?

TouchFX offers a supersized multi-touch experience: 6 simultaneous touch points recognition allowing a real 2 hand game play experience.

What if somebody spills water or cola onto one of the screens?

The playing surface is water resistant.

Can the display be damaged; is it safe for my customers?

TouchFX features a studied protective tempered glass to avoid injuries and damage to the display surface and technology.

What type of warranty are you offering for this product?

Adrenaline Amusements offer a complete 1 year warranty on all its electronic components.

How many games come with a TouchFX unit?

One game title is chosen by the buyer for each screen. Additional game licences can be purchased from Adrenaline Amusements distributors.
