MANUFACTURED BY: **SEGA**

2 PLAYER

Let's Go Island: Dream Edition

THE ISLAND ADVENTURE RE-IMAGINED

The follow-up to the number one Sega action adventure 'Let's Go Jungle' is back and re-imagined in this all new Dream Edition motion cabinet. Once again players are on a South Pacific island diving tour and soon end up in trouble with dastardly and despicable pirates. Players must work together to survive everything the island has to throw at them.

Be immersed in this non-stop island adventure with it's 55" LED screen, frantic rapid fire game play and brand new family fun dream motion seat!

Features
